Kampawatha

Sanadigathawata

Katisoola

Grudrasi

Awabahuka

Kalli

Tennis elbow

CTS

Amawatha

Skin lesion

Seetha pitta

Visarpa

Vataraktha

GIT

Shoola and Amlapitta

Grahani

Udawartha

Liver and biliary disease

Krimi roga

Atheesara

Pandu

Anaha

Admana

NCD

Diabetes

Cholesterol

Hypertension

Obesity

Swasa and Kasa

Kshudra roga

Kalithya

Palithya

Arunshika

Vata kantaka

Kunapa
Chippaya
Scoliosis and kyphosis
Shota and slipada (kidney, liver, lung, heart, lymph related)

Five main operative procedures and Keraleeya Panchakarma

Vamana
Nasya
Vasthi
Virechana
Rakta mokshana
Shirodara
Shiroabhayanga
Shiropichu
Shirovasthi
Janu/Kati/Griva/Uru vasti
Pishichil
Sashtikashali pindasweda

Orthopedics

Shoulder dislocation
Humerus neck fracture and shaft fracture
Elbow dislocation
Elbow fracture
Radio-ulnar shaft fracture
Wrist dislocation
Wrist fracture
Phalangeal fracture
Femur fracture
Hip fracture

Dosa and food

Radiology

Introduction

Pathological identification

Surgery

Identification of sharp and blunt instruments

Main 8 surgical procedures

Agni karma

Anorectal disease

Wound

Varicose veins

Hernia

Inflammatory edema

Cystic lesions

Abuses

Chrones

Urinary disorders

Gynecology

Pcod

Ovarian cysts

Endometriosis

Fibroid

Male Subfertility

SFA abnormalities

Hormonal dysfunctions

Anatomical issues

Chromosomal defects

ENT

Visual systems and ear nose throat examinations

Akshi roga
Karna roga
Nasa roga
Shirsha roga

Investigations

Biochemical values
Imaging studies
Histopathology

Acupuncture

Introduction
Clinical usage

Yoga

Introduction
Promotion of health
Therapeutic usage

Medical Documents

Death certification and certify
Medical letter
Referring letter
Diagnosis card
Medical certificate
Medical bill
